# Welcome

CALQUENCE is more than a prescription—it's a commitment from AstraZeneca to support you during your treatment.

Here are some of the ways we can help:

## **CALQUENCE™ Cares**

You can sign up to receive education and support, such as:

- Information about treatment with CALQUENCE
- Regular mailings or e-mails with valuable information

If you have questions about CALQUENCE, please call 1-800-236-9933. But remember, your healthcare provider is your main source of care and information. Always contact him or her first for medical advice and treatment.

Financial issues shouldn't interfere with your treatment. The AstraZeneca Access 360™ program can help you with:

- Understanding prescription coverage, out-of-pocket costs, and pharmacy options
- Prior authorization support
- Follow-up pharmacy care
- Reimbursement
- Denial and appeal support
- Connecting to patient savings and patient assistance programs
- Nurse assistance and education programs

## CALQUENCE Patient Savings Program

The goal of the CALQUENCE Patient Savings Program is to assist eligible, commercially insured patients with their out-of-pocket costs.

Most eligible patients will pay \$0 per month and may have access to up to \$26,000 per year to assist with out-of-pocket costs related to CALQUENCE. There are no income requirements to participate in the program.

### Eligibility Requirements

- Patients must be residents of the United States or Puerto Rico
- Patients must have commercial health insurance that covers medication costs for CALQUENCE, but not the full cost

Patients are ineligible if prescriptions are paid by any state or other federally funded programs, including, but not limited to, Medicare Part B, Medicare Part D, Medicaid, Medigap, VA or TRICARE, or where prohibited by law. Eligibility rules apply. Additional restrictions may apply.

The CALQUENCE Patient Savings Program covers the cost of the drug only, and does not cover costs for office visits, or any other associated costs.

Offer is invalid for claims and transactions more than 120 days from the date of service.

Talk to your doctor or pharmacist, who can help you enroll into the program and file claims on your behalf.
